

Attention Artists of All Ages!

Please help us “decorate” the Chicago Beaver Festival with your creative art projects!

Children up to 8th grade: Make a drawing of beavers, a beaver wetland or your favorite animal. We will draw the names of three participants, who will receive a beaver plushy and a beaver pond book.

High schooler/college students: Draw a beaver or beaver wetlands. A panel of judges will select the top three artists, who will receive a gift card.

All entries will be displayed at the 2026 Chicago Beaver Festival and online.
